Pickup and Delivery Details

All produce pick-ups will be at our office at 19 Hall Street. And, delivery is an option for locations in Lowell. Delivery times are dependent on staff availability and schedule as well as there will be an additional \$15.00 flat rate fee for any delivery inside of Lowell.

Pricing

At Mill City Grows, we value having equitable and affordable prices for all our customers. Therefore, our wholesale prices will be 10% off of our market prices and our bulk price will be 15% off of our market prices.

For an order to be considered as wholesale, there must be at least one order item of 20 units (ie. pounds, bunches) or a minimum of \$50. Produce at bulk price will be determined by availability of the crop in the field and will only be listed in the wholesale email. For any small orders of produce, we encourage you to check out our mobile markets in Lowell.

Invoices and Payments

Invoices are sent out at the end of each month and payments will be processed online using Xero. Checks will also be accepted. If you would like to receive an invoice by a certain date, please include that information during order placement.
