

GROW YOUR OWN ORGANIC MUSHROOMS

with Elizabeth Almeida of Fat Moon Farm

Virtual Class Schedule and Descriptions

Session 1: Saturday, April 3, 2021 at 9:30am EST

This first session walks students through the life cycle of mushrooms and helps them set up their grow block for success.

Session 2: Wednesday, April 7, 2021 at 7:30pm EST

This midweek check in offers students a chance to share their successes and challenges, receive personalized advice, and reinforces the information from the first session. It also previews what to expect and do come harvest time, including recipe sharing.

Session 3: Saturday, April 10, 2021 at 9:30am EST

This final class encourages students as they reach or approach harvest, provides cooking advice for a yummy finish, and instructs students how to induce a second flush or otherwise experiment with the remaining blocks for greater learning or harvest.
